

# Look and Feel Younger!

Sermorelin stimulates your pituitary gland by binding to specific receptors that increase production and secretion of endogenous Human Growth Hormone (HGH), naturally! Sermorelin can enhance overall health and wellbeing and may be used in conjunction with bioidentical hormone replacement therapy (BHRT) in men and women, weight loss programs, slow metabolism, thyroid, Low-T and erectile dysfunction treatment in men.

## Benefits Of Sermorelin with 6 months

<u>First Month</u>	<u>Second Month</u>	<u>Third Month</u>
<ul style="list-style-type: none"> <li>- Weight loss/body fat reduction</li> <li>- Vivid dreams</li> <li>- Better, more sound sleep</li> <li>- Improved stamina</li> <li>- Optimistic attitude</li> </ul>	<ul style="list-style-type: none"> <li>- Improved muscle tone</li> <li>- Increased strength</li> <li>- Improved skin tone</li> <li>- Improved nail growth</li> <li>- Better digestion</li> <li>- Weight loss/body fat reduction</li> </ul>	<ul style="list-style-type: none"> <li>- Improved mental process</li> <li>- Enhanced productivity</li> <li>- Faster wound healing</li> <li>- Hair re-growth</li> <li>- Increased libido</li> <li>- Increased muscle size</li> <li>- Faster recovery/reduced pain</li> <li>- Reduced hormonal PMS</li> <li>- Greater flexibility</li> </ul>
